

RADHE PAYAL..

ABOUT US :-

Payal or anklet is worn by women as a part of jewelery used to adorn their feet. It is the latest fashion accessory, which resulted in increased demand for them. Therefore, we Radhe Payal, started manufacturing a wide range of delicately designed payals and anklets. With our consistent efforts, we have become one of the leading manufacturers, exporters, and traders of the same. Our range of products includes Imitation Payal, Imitation Jewelry, Artificial Anklets, Fashion Anklets 251, Imitation Anklets 241, and many more. These products are manufactured using high quality raw material procured from reliable vendors of the market. Further, we have a team of experts who performs various quality checks to ascertain the credibility of the products. Moreover, our packaging experts ensure each product is properly packaged in order to avoid any damage during transit.

Why us?

Some other features that make us different from our competitors are as follows:

1. Transparent business policies
2. Modern designs
3. High quality products
4. Utmost client satisfaction
